**Re: Docket 060285-SU**  
**Application for increase in water and wastewater rates in Charlotte County by Utilities, Inc. of Sandalhaven**  
**Confidential Document Filing 04174-07**

Dear Mr. Friedman:

Staff is in the process of resolving outstanding requests for confidential classification, and has located one from Utilities Inc of Sandalhaven dated May 23, 2007. The Request is for confidential classification of certain work papers provided to the Commission in connection with its audit of Sandalhaven, and assigned confidential Document Number 04174-07. The justification provided with the request describes the documents as "Audited Financial Statement of Utilities, Inc. and Subsidiary Companies ("UT").

The delay in processing this request has resulted in the document being held as confidential for a period of approximately 30 months, well in excess of the 18 month period mandated by Section 367.156(4), Florida Statutes. Therefore, I am writing to inquire whether Utilities, Inc. of Sandalhaven continues to request confidential classification of these documents, or whether the request can be withdrawn. Thank you for your time and attention, and I apologize in advance for any inconvenience.

Sincerely,

*Martha C. Brown*
