NOTICE TO CUSTOMERS OF FINAL APPROVED RATES

Docket No. 090125-GU - Petition for increase in rates by Florida Division of Chesapeake Utilities Corporation

On July 14, 2009, the Florida Division of Chesapeake Utilities Corporation (Chesapeake) filed a Petition with the Florida Public Service Commission (FPSC) seeking approval to increase natural gas transportation service rates and charges to produce an additional \$2,965,398 in annual revenue. Chesapeake's Florida Division operates under the name "Central Florida Gas Company." The FPSC staff reviewed Chesapeake's filing, conducted an audit, requested additional data from the company, and filed its recommendation on December 3, 2009. On December 15, 2009, the FPSC considered this recommendation and authorized Chesapeake to increase its rates and charges to produce additional annual revenues of \$2,536,307. The new rates will become effective for meter readings on and after January 14, 2010, except for the Experimental fixed charge rates which will become effective for meter readings on or after April 1, 2010. In January 2010, the FPSC will issue a Proposed Agency Action Order, which will detail the approved changes to Chesapeake's rates, charges, and tariff. The following table provides a comparison of the rates at the time of filing and the new rates approved by the FPSC on December 15, 2009.
