RE: Docket No. 090182-SU; Ni Florida, LLC's Application for Increase in Wastewater Rates in Pasco County, Florida
Our File No.: 43053.03

Dear Ms. Cole:

On February 11, 2010, we filed a letter with calculations of the requested miscellaneous service charges. Those calculations included a mathematical error and the following is submitted in its place.

The Utility is requesting miscellaneous service charges of \$27.00 during business hours, and \$40.00 after hours for Initial Connection and Normal Reconnection. Violation Reconnection fees will continue to be charged at actual cost. These charges are consistent with what this Commission has recently approved for other wastewater utilities. The Public Service Commission, in Docket Nos.: 080249-WS and 080250-SU, has recently authorized other wastewater utilities to implement similar miscellaneous service charges. A calculation of the costs comprising those fees is as follows:

During Business Hours:

Item:	Cost:
Labor (\$32.00/hr. x 0.7 hours)	\$22.40
Transportation	\$ 5.00
Total	\$27.40

After Business Hours:

Item:	Cost:
Labor (\$48.00/hr. x 0.7 hours)**	\$33.60
Transportation	\$ 6.00
Total	\$39.60

**Represents time and half wage.

The Utility has also requested increased charges for Premises Visit Fees. Despite the Utility's request for Premises Visit Fees that are lower than the Initial Connection Fees and Normal Reconnection Fees, the charges requested for this service are comprised of the same costs as noted above. Please feel free to contact me if you have any questions or concerns.

Very truly yours,

MARTIN S. FRIEDMAN
