**Re: Progress Energy Florida, Inc.’s Request for Confidential Classification
Docket No. 080001, Document Nos. 03018-08 and 03308-08**

Dear Mr. Burnett:

I am writing regarding Progress Energy Florida, Inc.’s (“PEF”) outstanding Request for Confidential Classification of portions of staff’s audit working papers, prepared during the “Progress Energy Florida, Inc., 2007 Hedging Activities Audit for the Historical Year Ended December 31, 2007,” Audit Control No. 07-353-2-1, Document Nos. 03018-08 and 03308-08. This request was filed April 23, 2008, and it appears an order has not yet been issued.

Given that approximately 23 months has passed since the original request was made, I am requesting that PEF review the documents in question and determine if any portions can be declassified. For any information that PEF believes continues to merit confidential classification, I request that PEF file a renewed request, including PEF’s justification for continued confidential classification. Thank you for your time and attention, and please do not hesitate to contact me if you have any questions.

Sincerely,

Lisa C. Bennett
Senior Attorney
