Mr. Fay:
This response will confirm that the Commission is unable to automatically add persons to all current dockets and future new dockets. If you would like to be added as an interested person in any dockets currently pending before the Commission, you will need to provide specific docket number(s). As an interested person you would receive all notices for hearing, prehearing, proposed agency action orders, final orders, and notices of Commission conferences pertaining to those specific dockets.

If you wish to receive notices of hearings, workshops, or rulemaking, please advise, and Nonnye Grant will be in touch with you regarding same.

I hope you find this information helpful. Please call our office if you have any questions.

Mr. Beasley:

We are in receipt of your attached e-filing. Please note that per Commission e-filing requirements, any attachments must be included in the electronic document (cover letter, petition, certificate of service, etc.) to which it relates, and shall not be submitted as a separate attachment to the email. In other words, if the cover letter mentions attachments, those attachments need to be included with the cover letter (one attachment to the e-mail), rather than two separate documents/attachments to the e-mail. Also, please note that, per the Commission's e-filing requirements, documents are to include an official signature.

For further information on what documents are eligible for e-filing, please see e-filing requirements on the PSC website:

<http://www.floridapsc.com/dockets/e-filings/>

Your filing will need to be revised and resubmitted in order to be eligible for electronic filing.
