Subject: VMU ETC Application - Docket No. 090245-TP

Dear Ms. Tan:

In follow up to our conversation yesterday regarding Virgin Mobile USA's request for limited ETC designation in Florida, I am writing to confirm that as a wholly owned subsidiary of Sprint Nextel, Virgin Mobile no longer resells Sprint's services. The Company operates as a facilities-based carrier in the State of Florida like all other Sprint Nextel operating subsidiaries in the state. By this email, I have copied Bill Atkinson of Sprint Nextel who can confirm that Virgin Mobile no longer resells Sprint's service and operates like other Sprint Nextel subsidiaries providing service to end user customers in the state.

Please let me know if you need additional information.

Thank you for your attention to this matter.
