 COMMISSION
 CLERK

Concise explanation, justification or comments (attach additional sheet if necessary):

On April 9, 2010, Saturn Telecommunications Services (STS) filed a Motion to Continue Hearing on Staff's Recommendation Regarding the Retirement of LENS, and to Lift Abeyance in Order to Allow Discovery. In its Motion, STS requests that this Commission continue the hearing on Staff's recommendation. On April 15, 2010, AT&T filed a Response in Opposition to STS' Motion. In its Response, AT&T requests that this Commission deny STS' Motion.

Staff recommends that this item not be deferred. This item is noticed as a PAA and interested persons may participate. Consequently, STS will have the opportunity at Agenda to address the Commission. Furthermore, STS will have an opportunity to protest any proposed actions ordered by the Commission and to request a hearing.
