C. RECEIPT OF NOTICE OF AGENCY'S PROPOSED ACTION

6. Petitioner received notice of the Public Service Commission's action through its NOTICE OF CUSTOMER MEETING received within the April land use billing.

D. DISPUTED ISSUES OF MATERIAL FACT

7. Is there a need for the proposed Staff Assisted Rate Increase generating additional costs taking into account the need for Water and Waste Water delivery and treatment. system reliability and integrity, as this criterion is used in Section 367.011, Florida Statutes.
8. Is there a need for the proposed Staff Assisted Rate Increase for adequate water and waste water treatment at a reasonable cost, as this criterion is used in Section 367.011, Florida Statutes.
9. Whether dependable, conclusive information regarding conservation and demand site management measures exists, at this time, to reasonably allow for a determination to be made regarding the appropriateness of permitting proposed Staff Assisted Rate Increase.

E. CONCISE STATEMENT OF ULTIMATE FACTS ALLEGED

10. The data and ongoing research pertaining to the various options available for the provision of the future rates needs that are proposed to be met by this increase and the variables affecting relative cost assessments do not provide a foundation that allows for a prudent, reasonable or responsible determination proving the need for this proposed Staff Assisted Rate Increase.
-

11. The permitting of this Rate Increase would be contrary to the historical behavior of the Florida Public Service Commission as it has in the past protected the viability of the State's water and waste water needs while protecting the interests of the residents of the State of Florida, in particular Palm Valley Utility customers.

F. RELIEF SOUGHT BY PETITIONER

12. I the undersigned, Donald Hartwig, request that the Commission accept my petition and accept me as a "Party of Record" and an "Intervenor" in this docket.

Respectfully submitted this 16th day of April, 2010

s/Donald E. Hartwig
