**FROM:** Shevie B. Brown, Regulatory Analyst IV, Division of Regulatory Analysis *SB3 73*  
**RE:** Confidential Document No. 03267-10, Docket No. 090451-EM

The information for which the Petitioners seek confidential classification is a summary of information regarding the net present value of GRU's projected payments, and the levelized cost of electricity, under different scenarios for the in-service date of the GREC Project in response the staff's interrogatory No. 120. The material is confidential, proprietary, business information of GREC LLC, the disclosure of which would cause harm to GREC LLC's competitive business interests.

The above material was received with a request for confidential classification. Please prepare a recommendation for the attorney assigned to the case by completing the section below and forwarding a copy of this memorandum, together with a brief memorandum supporting your recommendation, to the attorney. Copies of your recommendation should also be provided to the Office of Commission Clerk and to the Office of General Counsel.

**Please read each of the following and check if applicable.**

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
  - (a) Trade secrets;
  - (b) Internal auditing controls and reports of internal auditors;
  - (c) Security measures, systems, or procedures;
  - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for services on favorable terms;
  - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.;
  - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.
