Docket No. 090245-TP – Petition for limited designation as eligible telecommunications carrier (ETC) by Virgin Mobile USA, L.P. (Deferred from the May 4, 2010, Commission Conference, revised recommendation filed.)

Issue 1: Should Virgin Mobile be granted limited ETC status in Florida for the purpose of offering Lifeline discounts to qualifying consumers in Florida?

Recommendation: Yes. Staff recommends that Virgin Mobile be granted limited ETC designation status in the AT&T, Verizon, and CenturyLink wire centers listed in Attachment B of staff's memorandum dated May 6, 2010, for the sole purpose of offering Lifeline discounts to qualifying consumers in Florida. Granting of ETC designation should be contingent on Virgin Mobile providing the following:

- E911 compliant handsets should be provided to Virgin Mobile's new Lifeline customers and Virgin Mobile should replace any non-compliant handsets for its existing customers who are approved as Lifeline customers at no charge;
- Each Lifeline customer shall receive 200 free anytime minutes each month;
- Self-certification of Virgin Mobile Lifeline customers under penalty of perjury once service has been activated. In addition to the FPSC's annual Lifeline verification eligibility requirement, annual certification verifying that the head of household is only receiving Lifeline discounts from Virgin Mobile;
