AFFIDAVIT OF MARIA V. BESADA

BEFORE ME, the undersigned authority, personally appeared Maria V. Besada who, being first duly sworn, deposes and says:

1. My name is Maria V. Besada. I am currently employed by FPL Energy Services (FPLES), Inc as Director of Organization Development & Management. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C, and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Staff's First Set of Interrogatories Nos. 1-28 and First Request for Production of Documents Nos. 1-3, for which I am identified on Exhibit C as the affiant. The documents or materials that I have reviewed, and which are asserted by FPL to be proprietary confidential business information, contain information relating to competitive interests, the disclosure of which would impair FPLES' competitive business. Specifically, the information provided by FPL contains FPLES' customer counts, FPLES' claim counts, and FPLES' financial information. Certain of the information also contains or constitutes contractually sensitive information, which if disclosed, would impair FPLES' ability to contract for certain goods and services on favorable terms in the future. Disclosure of the information would place FPLES at a disadvantage when coupled with other information that is publicly available, to the detriment of FPLES and its customers. To the best of my knowledge, FPLES has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, these materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
