**AFFIDAVIT OF PATRICK DONOHOO**

**BEFORE ME**, the undersigned authority, personally appeared Patrick Donohoo who, being first duly sworn, deposes and says:

1. My name is Patrick Donohoo. I am currently employed by Federal Warranty Service Corporation ("Assurant") as Claims Manager. I have personal knowledge of the matters stated in this affidavit.

2. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute contractual data such as claim counts, the disclosure of which would impair the efforts of Assurant to provide insurance products or service contracts on favorable terms for the benefit of its customers and would impair the competitive interests of Assurant and its vendors. Certain of the information would also place Assurant at a disadvantage when coupled with other information that is publicly available. To the best of my knowledge, Assurant and FPLES have maintained the confidentiality of these documents and materials.

3. No significant changes have occurred to render the information stale or public such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
