Dear Ms. Cole:

Attached are five copies of proposed tariff sheet for Sumter Electric Cooperative, Inc. as follows:

Miscellaneous Charge Amounts Eighth Revised Sheet No. 16.0

Eighth Revised Sheet No. 16.0 changes various fee and deposit amounts, and provides for fees for unauthorized reconnects and meter tampering or current diversion. The proposed adjustments are intended to make the various fee and deposit amounts more reflective of current conditions.

In addition to the revised tariff, one copy of the existing tariff in legislative format is also enclosed.

During the review process should the Staff have any questions, please do not hesitate to contact me (ted.purser@secoenergy.com; 352-793-3801-5-1578).

Sincerely,

T.J. Purser

MISCELLANEOUS CHARGE AMOUNTS

MEMBERSHIP FEE: \$5.00 for each membership. One member may have more than one electrical connection (account) but only one membership fee is required.

RESIDENTIAL DEPOSIT: Two times the average monthly bill for the service address during the 12 preceding occupied months.

- NOTES:*
- 1) *A residential member with a good payment record at one active account is not required to have a deposit for any additional residential accounts.*
 - 2) *A deposit two times the average monthly bill for the service address during the 12 preceding occupied months will be required when a member establishes a poor payment record at the current location or at a prior location or has a poor credit rating from a SECO approved reporting agency.*
 - 3) *If the service address is new and has not had service before, a deposit will be required of \$300.00 or \$0.20 per square foot of conditioned space, whichever is greater.*

NON-RESIDENTIAL DEPOSITS: Two times the average billing for the service location during the preceding 12 months of normal use.

- NOTES:*
- 1) *If the service address is new and has not had service before, the deposit will be an amount equal to 2 months estimated usage based on an estimated load factor for that type of account.*
