Thanks Dorothy,

If they do not receive orders automatically by being an interested party than such a designation does not accomplish what we need. As you suggest, we will provide instructions that they receive orders on a case-by-case basis each time an order impacts them.

Hi Charlie,

For clarification, are you requesting TL710 and TL720 be added as interested persons in Docket 100340-TP?

Please note that interested persons do not automatically receive PCO orders. If you would like them to receive those types of orders in the future, you will need to provide instructions to CLK regarding same as each order is issued.

Per your request below, we will be glad to send them the copy of Order PSC-10-0491-PCO-TP.

Hi Dorothy,

AT&T and Verizon do not need to be parties but they will need to receive the order that was recently issued in the docket because it affects them. They will also need anything related to that order being reconsidered or appealed.

Providing it to contacts associated with company codes would be fine.

Thanks,  
 Charlie

Charlie,

The reason Verizon and AT&T Florida were not provided copies of the order is because CLK has not received a request to include them as a party or interested person in the docket. They have also not filed anything in this docket. Please advise if you would like us to include them as parties or interested persons in the docket.

Also, please advise if you would like us to provide the orders to AT&T Florida (TL720) and Verizon (TL710), using the company codes that we have in MCD. If the contact information that you would like us to use (e-mail address or U.S. Mail address) are different than those shown in MCD, please provide those specific addresses, and we will make sure a copy is provided to them.

Thank you for your help.

I believe there are addresses on the certificate of service---so they probably have them already. But so do the other companies on the certificate so guess we should treat AT&T and Verizon the same.

Thanks!
