Please plan to declassify this document in the normal way. We probably checked the wrong box. Thanks.

Pete, ECR quarterly report has this document marked to be returned to the source. DN 09316-07 is FPL (Butler) - (CONFIDENTIAL) Attachment A; Form 423-1(a), 423-2, 423-2(a), and 423-2(b) for 6/07 (5/07 with respect to Plant Scherer data). Normally we declassify Forms 423 and place in the docket. Is this filing different than the usual 423 Forms?

Please clarify if this document is to be returned to the source or if ECR meant to declassify and place in the docket file. Thank you for the clarification.
