Re: Docket No. 100128-WU, *Application for increase in water rates in Gulf County by Lighthouse Utilities Company, Inc.*

Dear Chairman Argenziano:

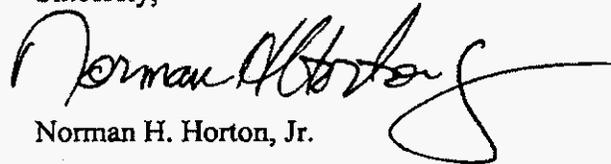

By letter dated May 28, 2010, the Commission approved a test year for a rate increase to be filed by Lighthouse Utilities, Inc. with the request that it be filed by August 25, 2010. This is to request that Lighthouse Utilities Company, Inc. be allowed an additional week, until September 1, 2010, to file the application.

Although we have prepared drafts of the schedules and application, they are still being reviewed, confirmed and verified by the Company and specifically the President of the Company. His time to complete this process is limited due to the fact that he and his wife are occupied with an impending birth and his time is directed to this.

Under the circumstances, Lighthouse Utilities Company, Inc. asks that the Company be allowed until September 1, 2010, to file its application.

Thank you for your attention to this request. If there are any questions, please do not hesitate to contact me.

Sincerely,

Norman H. Horton, Jr.
