**Re: Docket No. 090414-WU, Application for Staff-Assisted Rate Case in Polk County by Pinecrest Ranches, Inc., and Delinquent Regulatory Assessment Fees for the Years 2006, 2007, 2008, and 2009.**

Dear Ms. Cole:

As required by Section 367.0814, Florida Statutes, (F.S.), the Commission was originally required to issue its final order in this staff-assisted rate case by January 14, 2011. However, because the utility had not filed its 2009 Annual Report and had not paid its regulatory assessment fees (RAFs), the utility waived the time for the Commission to issue its final order in this staff-assisted rate case from that date through April 29, 2011. This extension was predicated on the utility filing its annual report and RAFs on June 18, 2010. Also, because of an illness, the filing of the annual report and payment of the RAFs was further delayed. Based on this delay, the utility waived the time for the Commission to issue its final order in this staff-assisted rate case through May 31, 2010. Finally, although the utility paid its RAFs in mid-July 2010, the check did not clear until several weeks later. Therefore, Pinecrest Ranches, Inc., waives and extends the time for the Commission to issue its final order through July 11, 2011. If you have any questions or if I can be of further assistance, please contact me.

Sincerely,

Mr. S. Norman Duncan, President
