

VOTE SHEET

September 14, 2010

Docket No. 100157-EG – Petition for approval of demand-side management plan of JEA. (Deferred from the August 31, 2010, Commission Conference, revised recommendation filed.)

**Issue 1:** Does JEA's proposed Demand-Side Management Plan satisfy the Company's numeric conservation goals set by the Commission in Order No. PSC-09-0855-FOF-EG and subsequently revised in Order No. PSC-10-0198-FOF-EG?

**Recommendation:** ~~Yes. JEA has proposed a DSM Plan that projects peak demand and energy savings that exceed the Commission approved residential and commercial/industrial goals.~~ No. However, JEA has proposed to continue its existing DSM programs consistent with Order Nos. PSC-09-0855-FOF-EG and PSC-10-0198-FOF-EG. The JEA Plan, therefore, should be approved.

**APPROVED**

**Issue 2:** Do any of the programs in JEA's proposed DSM Plan have an undue impact on the costs passed on to customers?

**Recommendation:** No. Since JEA is continuing existing programs, its customers should see no change in monthly bills due to additional DSM programs.

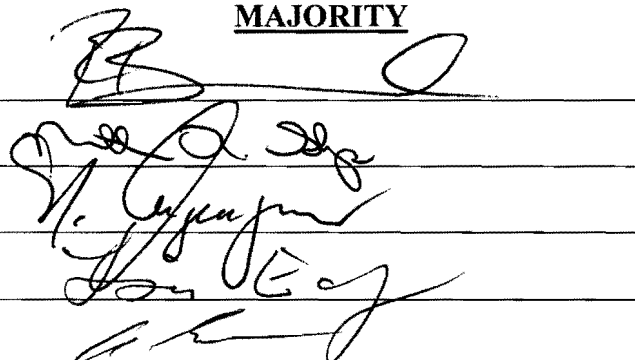

**APPROVED**
