In re: Energy Conservation)

DOCKET No. 100002-EG

STATE OF FLORIDA)
)
MIAMI-DADE COUNTY)

AFFIDAVIT OF ANITA SHARMA

BEFORE ME, the undersigned authority, personally appeared Anita Sharma who, being first duly sworn, deposes and says:

1. My name is Anita Sharma. I am currently employed by Florida Power & Light Company ("FPL") as Manager of Demand Side Management Cost and Performance. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C, and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Materials Provided Pursuant to Audit No. 02-064-4-1. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute customer-specific account information, which if disclosed would impair FPL's competitive interests or those of its vendors. It is FPL's corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer absent the customer's consent. Other documents contain or constitute pricing information for specific services, the disclosure of which would impair FPL's competitive interests or those of its vendors. The documents or materials also contain or constitute sensitive business information related to FPL's marketing plans and strategies. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. No significant changes have occurred to render the information stale or public such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
