October 12, 2010

Docket No. 100124-TX – Petition for designation as eligible telecommunications carrier (ETC) by Sun-Tel USA, Inc.

Issue 1: Should Sun-Tel be granted landline ETC designation in the State of Florida?

Recommendation: Yes. Staff recommends that Sun-Tel be granted landline ETC designation status in the 86 non-rural AT&T wire centers listed in Attachment B of staff’s memorandum dated September 30, 2010. If there is a future change of company ownership, the new owners should be required to file a petition with the FPSC and make a showing of public interest to maintain the company’s ETC designation. If Sun-Tel is approved for ETC status, the Commission should also require Sun-Tel to submit the number of UNEs purchased from AT&T for each month during the quarter when it files its quarterly reports.
