AFFIDAVIT OF GARY A. McBEAN

COUNTY OF PALM BEACH

BEFORE ME, the undersigned authority, personally appeared Gary A. McBean who, being first duly sworn, deposes and says:

1. My name is Gary A. McBean. I am currently employed by Florida Power & Light Company ("FPL") as Manager HR Analytics. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 10-207-4-1, for which I am listed as the affiant. The documents or materials I have reviewed, and which are asserted by FPL to be proprietary confidential business information, contain or constitute competitively sensitive data, the disclosure of which could impair the competitive business of the provider of the information. Additionally, certain of these materials contain competitively sensitive information related to certain employees' compensation. Certain of the materials also include employee names, which when coupled with information that is being publicly disclosed in this filing, would directly result in the public disclosure of those employees' compensation information. Public disclosure of compensation information would enable competing employers to meet or beat the compensation offered by FPL, resulting in the loss of talented employees, or conversely, the need to increase the level of compensation already paid in order to retain these employees and attract new talent. The quality of service and the cost of service implications would be detrimental to FPL and its customers. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

AFFIDAVIT OF KENNETH GETCHELL

BEFORE ME, the undersigned authority, personally appeared Kenneth Getchell who, being first duly sworn, deposes and says:

1. My name is Kenneth Getchell. I am currently employed by Florida Power & Light Company ("FPL") as Manager of Cost and Performance. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 10-207-4-1, for which I am listed as the affiant. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute internal controls, security measures, systems and procedures. Certain of the materials also include employee personnel information unrelated to compensation, duties, qualifications, or responsibilities. Specifically, the information provided by FPL includes documents that discuss the processes and treatment of non-public customer information, and agreements between the company and employees regarding the treatment of such confidential information. The information provided by FPL also includes certain employees' cell phone numbers, which FPL maintains as confidential for the safety and security of these employees due to their unique job responsibilities as customer service field collectors. The materials also contain or constitute customer-specific account information, which if disclosed would impair FPL's competitive interests or those of its vendors. It is FPL's corporate policy not to disclose customer-specific information absent the customer's consent. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer absent the customer's consent. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

AFFIDAVIT OF MARIA V. BESADA

BEFORE ME, the undersigned authority, personally appeared Maria V. Besada who, being first duly sworn, deposes and says:

1. My name is Maria V. Besada. I am currently employed by FPL Energy Services (FPLES), Inc as Director of Organization Development & Management. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Exhibit C and the documents that are included in Exhibit A to FPL's Request for Confidential Classification of Information Obtained in Connection with Audit No. 10-207-4-1, for which I am listed as the affiant. The documents or materials that I have reviewed, and which are asserted by FPL to be proprietary confidential business information, contain information relating to competitive interests, the disclosure of which would impair FPLES' competitive business. Specifically, the documents or materials contain specific and detailed cost data, the disclosure of which would give FPLES' competitors' an unfair advantage in the marketplace. Competitors' costs of similar nature are not typically available or accessible in the marketplace. By examining FPLES' costs, competitors could estimate FPLES' profit margins and gain understanding of FPLES' business models. Therefore, disclosure of this information would directly impair FPLES' competitive interests. To the best of my knowledge, FPLES has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, these materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.
