STAFF DATA REQUEST

Re: Docket No. 100266-EI - Review of 2010 Electric Infrastructure Storm Hardening Plan filed pursuant to Rule 25-6.0342, F.A.C., submitted by Florida Power & Light Company.

Dear Mr. Goorland:

By this letter, the Commission staff requests that Florida Power & Light Company (FPL or utility) provide responses to the following data requests.

Please refer to the 2nd set of revisions FPL would like to have made to the storm hardening recommendation.

1. Please refer to Attachment F, Initiative 3- Six-Year Transmission Inspection Program. FPL states transmission pole inspections costs were \$4.8 M with \$43.6 M in follow-up work for 2006-2008.
 - a. Please provide all supporting documentation for these costs.
 - b. Did FPL mean to state 2007-2009 for transmission pole inspection and follow-up instead of 2006-2008?
2. Please refer to Attachment F, Initiative 4- Hardening of Existing transmission Structures. Please provide all supporting documentation for the total cost of 2007-2009 transmission hardening of \$16.4 M.
3. Where FPL states "Cost not provided," please provide actual cost for these initiatives.

Please file the original and five copies of the requested information by Friday, November 12, 2010, with Ms. Ann Cole, Commission Clerk, Office of Commission Clerk, 2540 Shumard
