Good morning, Pauline,

Per your request below, Elizabeth Kohler has been added as an interested person with the e-mail address of: [elizabeth.kohler@verizonwireless.com](mailto:elizabeth.kohler@verizonwireless.com).

As an interested person she will receive all notices for hearing, prehearing, proposed agency action orders, final orders, and notices of Commission conferences via e-mail.

If she is interested in receiving documents other than those mentioned above, for example, procedural orders, she will need to contact GCL for instructions on becoming a party of record. Please note, however, that if she becomes a party of record, and she is with the Verizon Wireless office in Little Rock, Arkansas, she will be **added** to the contact information already in place for Verizon Wireless.

If you have any changes or wish to have this information removed, please let me know.

I did not see an email with her email address. I don't have her on gcl contact. If I add her to our distribution list, she won't get correspondence that you send out. So we both need to add her to our individual distribution list. I will request to have her added at the clerk's office. Do you have her email info?
