Dear Mr. May:

By this letter, the Commission staff requests that Aqua Utilities Florida, Inc. (Aqua or Company) provide responses to the following data requests.

1. Please explain the variance in the Utility's bad debt expense amounts recorded in the 2007, 2008, and 2009 FPSC annual reports and the bad debt expense amounts listed in AUF's Response to OPC's First Set of Interrogatories, No. 49.
2. Please refer to Bate Stamp Page AUF 016315, "Aqua America, Inc., Audit Committee Meeting, February 20, 2008." The minutes for this meeting indicated that Mr. Smeltzer reviewed the "deferred tax study" results. Please provide a copy of the deferred tax study mentioned above.
3. Please provide the minutes from the Aqua America Board of Director meetings as well as any other boards, committees, or panels, from December 3, 2009, to the present.
4. For all systems in this rate case, please provide a copy of any and all property tax bills for 2010.
5. Please provide a list of any and all assets that had been owned by AUF that have been sold or transferred to other entities, affiliates, non-regulated systems, persons or parties since April 30, 2007. For each asset, please provide the date of sale, the original cost of the asset, the amount of accumulated depreciation as of the date of sale, the sale price, any applicable selling costs, and the net gain or loss calculation of each sale.
