RE: BLC Management's Claim of Confidential Treatment for USAC Audit Materials
Pursuant to Section 364.183(1), Florida Statutes

Dear Ms. Cole:

On December 30, 2010, Staff requested that BLC Management LLC (BLC) provide "a copy of the findings provided to you by USAC along with a copy of any responses..." In making this request, Staff references a "limited audit." However, BLC assumes that Staff is referring to the USAC limited review, which ultimately became an audit and has responded under that assumption. BLC further notes that the materials provided are not final and are subject to change. Finally, in providing such information, BLC does not waive any rights it may have regarding the relevance or lack thereof of such documents, the Commission's jurisdiction over the information contained therein, or any other appropriate discovery rights or objections.

Pursuant to Section 364.183(1), Florida Statutes, BLC requests confidential classification for the enclosed materials, including one CD containing claim and customer information. Pursuant to §364.183(1), Florida Statutes, BLC claims that the information described above is confidential and proprietary business information belonging to BLC that should be kept confidential and exempt from public disclosure.
