**Re: Docket No. 100439-WS - Application for approval of revised service availability policy and charges by Rainbow Springs Utilities, L.C.**

Dear Mr. Deterding:

By this letter, the Commission staff requests that Rainbow Springs Utilities, L.C. (Rainbow Springs or Utility) provide responses to the following data request.

1. Please provide all engineering information relied upon to determine the design capacity of the planned water plant additions and expansions. As part of this response, please submit a copy of all Monthly Operating Reports submitted to the Department of Environmental Protection for 2010.
2. Please provide all engineering information relied upon to determine the design capacity of the planned wastewater plant additions and expansions. As part of this response, please submit a copy of all monthly Discharge Monitoring Reports submitted to the Department of Environmental Protection for 2010.
3. Please provide a schedule detailing the yearly ERC growth, by customer classification type, since 1996.
4. With the exception of the Special Service Availability Contract between Rainbow Springs Utilities, L.C. and Vikings, LLC, please provide all outstanding developer agreements.
5. Schedule Nos. 3 and 15 reflect 1,517 total units added, and Schedule No. 15 reflects 1,186 remaining buildable units. Please explain why the 1,186 remaining buildable units were not utilized in developing the proposed service availability charges.
