Case Background

Destin Gulfgate Owners Association, Inc. (DGOA), a not-for-profit corporation which operates a condominium in Destin, Florida, requests a waiver of the requirements of Rule 25-6.049(5), Florida Administrative Code (F.A.C.). The rule sets forth the conditions under which individual occupancy units in residential and commercial buildings must be metered for their electricity use. The rule requires that all occupancy units in condominiums must be individually metered by the utility unless they meet one of the exemptions set forth in paragraphs (a) through (g) of the rule. DGOA seeks a waiver from this requirement for the Destin Gulfgate Condominium (Destin Gulfgate). If granted, the rule waiver would allow the installation of a single master meter to measure usage for all of the residential units in the condominium. The
