In re: Application for Authority to Transfer the Assets

Nos. 517-W and 450-S in Brevard County, Florida
to Aquarina Utilities, Inc.

Reply to Aquarina Utilities Inc. Response to Motion to Compel

1. The expression of "belief" by the O.P.C. in respect of the personal financial statement of Reginald Burge, without the provision of any description of the nature and extent of their analysis, findings or judgements is, with the greatest of

respect, not determinative of financial ability, as required by Rule 25-30.037(2)(j).

1. In the absence of a personal financial statement as required by Rule 25-30.037(2)(j) AUI's past operation of the utility is not sufficient evidence of financial ability.
1. This Objector has no knowledge, information or belief about the veracity of the Applicant's allegation of any intention to cause costs to be incurred by the Applicant. This Objector states that this objection to AUI's application is without any intention or motivation to cause costs to Aquarina Utilities Inc. The purpose of the objection is to obtain factual evidence of Aquarina Utilities financial ability to provide the services being undertaken in accordance with the Commission's regulations and in a good business like manner over the long term.
1. The prior financial ability of Reginald Burge to operate a utility is not relevant nor material to the establishment of financial ability for the present Application. Reginald Burge's, and therefore the Applicants, present financial ability may be substantially different from what it was in the past. The present Application requires an up to the date personal financial statement to satisfy the requirement of Rule 25-30.037(2)(j).

Dear Ms Norris,

I have delivered an Objection and a Petition in respect to AUI's Application for a Transfer in Docket No. 110061-WS. I would have expected to have been named as a Party by the PSC in this proceeding yet I notice I am described as an interested person. Would you please advise me of the significance, if any, between being described as a Party and an interested person?

In addition, AUI has requested by motion that the PSC treat an AUI document identified as a "pro forma financial statement" as confidential. Would you please advise me if so treated it will be provided to me in its entirety, without any redactions, for the purpose of disclosure, production and discovery in this proceeding?

Finally, I have delivered a request to produce documents on AUI on September 9, 2011.. Would you please advise me of the time within which AUI has to respond?

Thank you for your attention to these enquiries.

Yours truly,

James I. Minnes
