BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Nuclear Power Plant Cost Recovery Clause Docket No. 110009-EI Submitted for Filing: May 5, 2011

AFFIDAVIT OF JON FRANKE IN SUPPORT OF PROGRESS ENERGY FLORIDA, INC.'S FOURTH REQUEST FOR CONFIDENTIAL CLASSIFICATION REGARDING PORTIONS OF ITS RESPONSES TO CITIZENS' SECOND REQUEST FOR PRODUCTION OF DOCUMENTS (NOS. 8-11) <u>& SECOND SET OF INTERROGATORIES (NOS. 4-8)</u>

STATE OF FLORIDA

COUNTY OF CITRUS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Jon Franke, who being first duly sworn, on oath deposes and says that:

1. My name is Jon Franke. I am employed by Progress Energy Florida, Inc. ("PEF" or the "Company") in the Nuclear Generation Group and serve as Vice President – Crystal River Nuclear Plant. I am over the age of 18 years old and I have been authorized by PEF to give this affidavit in the above-styled proceeding on PEF's behalf and in support of PEF's Request for Confidential Classification regarding portions of its responses to the Office of Public Counsel's ("OPC" or "Citizens") Second Request for Production of Documents (Nos. 8-11) and Second Set of Interrogatories (Nos. 4-8) (the "Request"). The facts attested to in my affidavit are based upon my personal knowledge.

2. Specifically, PEF is seeking confidential classification of the following materials produced to Citizens in this docket: (1) portions of the response to Citizens' Second Set of Interrogatories, Interrogatory number 5; and (2) the documents produced in response to Citizens' Second Request for Production of Documents, numbers 9, 10 and 11.

1

DOCUMENT NUMBER-DATE 03146 MAY-5 = FPSC-COMMISSION CLERK 3. An unredacted version of the testimonies and exhibits at issue are contained in confidential Appendix A to PEF's Request and the confidential portions thereof are outlined in PEF's Justification Matrix that is attached to PEF's Request as Appendix C.

4. PEF is requesting confidential classification of this material because it contains confidential information related to the Company's internal audits, including reports of the Company's internal auditors. It is essential to the Company's internal auditing process that information provided to internal auditors and the reports thereof remain confidential – this allows for full cooperation and candor with the Company's auditors. The disclosure of this information would compromise the Company's ability to effectively perform internal audits of its projects and procedures and thereby harm PEF's competitive business interests.

5. Upon receipt of this confidential information, as with all confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided therein. Such procedures include, but are not limited to, restricting access to the documents and information to only those persons who require it to assist the Company. At no time since developing the audits in question has PEF publicly disclosed the audits' findings; PEF has treated and continues to treat the information contained in the subject audits as confidential.

6. This concludes my affidavit.

Further affiant sayeth not.

Dated this 2nd day of May 2011 (Signature)

Jon Franke Vice President - Crystal River Nuclear Plant 15760 W. Powerline St. Crystal River, Florida 34442
