Dear Ojo Services Customer,

We would like to inform you of an exciting change regarding your current VOIP voice and video service. As of June 12th, Ojo Service, LLC, will no longer be a VOIP voice and video phone service provider. However we have partnered with VoX Communications, one of the leading providers of integrated video and VoIP telephony services to take over your service relationship. VoX is a very experienced service provider and has been offering video phone services featuring the Ojo Vision video phone since it was introduced last fall. All Ojo Service customers are being affected by this change.

VERY IMPORTANT - In order to ensure your service continues without interruption, you must take the following actions:

Starting Monday, May 16th

- 1) Go to <https://control.voxcorp.net/activate/?agent=wor001> to enter your video phone, account and billing information.
- 2) Once step 1 above is completed, you then need to reset your video phone settings. Please follow the instructions attached to this email.

If you have any questions or experience any trouble, please contact VoX Customer Service at 1.800.869.1699 or email customercare@voxcorp.net

The FCC will authorize this discontinuance of service unless it is shown that customers are unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to §63.71 Application of Ojo Service. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

If you have any questions or concerns with respect to this notice, please call Ojo Service at 1-215-354-5222.

We thank you for being a loyal Ojo Service customer. We are confident that you are in good hands with VoX Communications.
