**RE:** Docket No. 100375-TP - Petition for supplemental authority for designation as eligible telecommunications carrier (ETC) for purposes of providing low income support for wireless service, by Easy Telephone Service Company. *AMS*

During the 2011 Florida Legislative Session, HB 1221 was passed to transfer wireless ETC authority from the Florida Public Service Commission (FPSC) to the Federal Communications Commission. The bill has been signed by the Governor, and will become law on July 1, 2011. Since the FPSC no longer has wireless ETC designation authority, Easy Telephone has withdrawn its petition. Pursuant to APM 2.07, which states:

“Other dockets initiated by the filing of a petition, application, notice, complaint or other request in which the applicant, petitioner or complainant seeks to withdraw its initial pleading and staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing, no request for refund of filing fee has been made, and no agency action has been taken.”

Staff is requesting this docket be closed administratively as there are no pending issues that need to be addressed and the Commission has taken no action in this docket.
