AFFIDAVIT OF DAVID T. BROMLEY

BEFORE ME, the undersigned authority, personally appeared David T. Bromley who, being first duly sworn, deposes and says:

1. My name is David T. Bromley. I am currently employed by Florida Power & Light Company ("FPL") as Manager, Distribution Regulatory. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Attachment C, and the documents that are included in Attachment A to FPL's Request for Confidential Classification of Information submitted in response to Staff's First Data Requests in this docket. The documents or materials that I have reviewed and which are asserted by FPL to be proprietary confidential business information contain or constitute customer-specific account information. It is FPL's corporate policy not to disclose customer-specific information. This policy includes, but is not limited to: customer names, addresses, telephone numbers, account numbers, rates, billing determinants (kW and kWh usage), conservation savings in kW, kWh and bills. FPL treats such information as confidential and does not disclose it, except as required by law, to entities or persons other than the customer absent the customer's consent. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
