The above confidential material was filed along with a request for confidential classification. In accordance with Section 11.04.C.5.c.(4) of the APM, please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
 - (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the company to contract for services on favorable terms;
 - (e) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
 - (f) Tax returns or tax-related information;
 - (g) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information.
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

RE: Document No. 04567-11, re Request for confidential classification of internal controls audit workpapers [DN 04566-11] and corrected version of request for confidential classification of internal controls audit workpapers [DN 04749-11].

Pursuant to Section 366.093 of the Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL) requested confidential classification of certain information contained in audit report workpapers for staff's report, *Florida Power & Light Company's Project Management Internal Controls for Nuclear Plant Uprate and Construction Projects*

Staff has completed the review of FPL's confidentiality request. Staff believes that the request meets the criteria for confidentiality contained in Section 366.093, Florida Statutes. Therefore, staff recommends that the request for confidentiality of certain information included in Document No. 04567-11 be approved.
