In Re: Florida Power & Light Company's) 2011 Ten Year Power Plant Site Plan)		Docket No. 110000
STATE OF FLORIDA)	AFFIDAVIT OF JUAN ENJAMIO
PALM BEACH COUNTY	<i>)</i>	AFFIDATII OF TURN ENGAMIO

BEFORE ME, the undersigned authority, personally appeared Juan Enjamio who, being first duly sworn, deposes and says:

- 1. My name is Juan Enjamio. I am currently employed by Florida Power & Light Company ("FPL") as Supervisor, Integrated Analysis. I have personal knowledge of the matters stated in this affidavit.
- 2. I have reviewed Exhibit B and the documents that are included in FPL's Request for Confidential Classification of Responses to Staff's 6th Data Request, Nos. 25 and 28, for which I am listed as the affiant. The documents and materials that I have reviewed contain proprietary confidential business information that is competitively sensitive to FPL. Disclosure of this information would impair negotiations with vendors and negatively affect FPL's ability to enter into contracts on commercially favorable terms. Additionally, this information could provide competitors with an unfair advantage. To the best of my knowledge, FPL has maintained the confidentiality of these documents and materials.
- 3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
