RE: Docket No. 100010-EI Document No.05702-10

Progress Energy Florida's thirteenth request for confidential classification of portions of the final audit report of the staff auditors—Audit No. PA 10-01-001.

On July 12, 2010 PEF filed its thirteenth request for confidential classification on portions of the final audit report of the staff auditors—Document No. 05702-10. In anticipation of the August 20, 2010 Confidentiality Evidentiary Hearing, PEF filed a revision to its thirteenth request for confidential classification—Document No. 06797-10. The revised request, in which the company reduced the amount of information it deemed confidential, concurred with staff's recommended redactions filed in the Confidential Evidentiary Hearing.

Audit staff filed a recommendation on the revised request for confidential information on August 30, 2011—Document No. 06239-11. This recommendation applies to both the original request at Document No. 05702-10 and the revised request at Document No. 06797-10.
