Customer Notice

ISSUED: September 26, 2011

On September 28, 2010, C.F.A.T. H2o, Inc. (the "Utility"), completed its application to the Florida Public Service Commission (the "Commission") for increased water rates, in which it requested a permanent increase for its water system in Marion County of 97.06%.

By Proposed Agency Action Order No. PSC-11-0366-PAA-WU ("PAA"), issued August 31, 2011, the Commission approved a revenue increase of 73.38% for water service. In addition, the Commission approved revised miscellaneous service charges. These rates and charges were designed to allow the Utility the opportunity to recover its reasonable and prudent cost for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such water service.

The increased rates and charges are effective for services on or after October 1, 2011.

The rates prior to filing, the Commission-approved water rates and approved revised miscellaneous service charges are attached to this customer notice.

The notice was prepared by the Utility and approved by the Commission Staff for distribution by the Utility to its Customers.

If you have any questions about your bill, please contact the Utility at 352-622-4949.

The current rates, and the Commission approved final rates are set forth below.

Sincerely,

C.F.A.T. H2o, Inc.
