**BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION**

Orlando Utilities Commission Request for Electric Vehicle Charging Station

DOCKET NO. 110279-EM

Date Filed: October 25, 2011

**ORLANDO UTILITIES COMMISSION'S NOTICE OF VOLUNTARY WITHDRAWAL  
OF PETITION FOR APPROVAL OF NEW TARIFF SHEETS 5.220 AND 7.220  
FOR ELECTRIC VEHICLE CHARGING STATIONS**

On September 16, 2011, the Orlando Utilities Commission (OUC) submitted to the Florida Public Service Commission (PSC) proposed electric rate tariff sheet 5.220, for the Orlando Utilities Commission, and sheet 7.220 on behalf of the City of St. Cloud, both proposing to establishing a new class of utility customers for electric vehicle charging stations and reflecting a proposed rate adopted by the Board of OUC. On September 22, 2011, the PSC Staff requested to establish this Docket and on October 18, 2011, OUC received the Staff's First Data Request in this Docket.

OUC has determined that the proposed tariff sheets submitted on September 16, 2011, require further evaluation. OUC hereby voluntarily withdraws its petition for approval of the new electric vehicle user tariff sheets 5.220 and 7.220, without prejudice, and request this Docket be closed.

Respectfully submitted,

W. CHRISTOPHER BROWDER  
Office of General Counsel  
Orlando Utilities Commission
