Re: Document No. 00291 in Docket No. 110013- Request for Proposal for Relay Service for Deaf, Hard of hearing, Deaf/Blind or Speech Impaired

This is to provide authorization for Kevin Bloom to open the sealed document from AT&T which has been assigned Document number 09117-11. Only the Pricing Proposal was to be considered "Sealed." The other documents were to be treated as confidential documents, based on the January 13, 2012, letter from AT&T. Thus, those additional documents in the separate large envelope may be opened and treated as confidential, as labeled. Only the slim five envelopes are to remain sealed at this time.
