I think it is clear that WMSI has withdrawn its request for confidentiality of this document, and you can declassify -- that's my opinion, and then Ms. Merchant can get online -- correct??

Todd,

WMSI filed a letter (see attachment to e-mail) advising the Commission that the company will not be seeking confidential treatment of any of the documents in their 1/19/12 filing (confidential DN 00376-12).

Is it OK to declassify confidential DN 00376-12 and place it in the public docket file?

Thanks.
