Re: Docket No. 120015-EI, Petition for Increase in Rates by Florida Power & Light Company

Dear Mr. Olivera:

In response to your January 17, 2012, test year notification letter, Docket No. 120015-EI has been opened for Florida Power & Light Company's (Company) forthcoming general rate increase proceeding. It has been noted that the Company proposes to utilize a projected twelve-month period ending December 31, 2013, as the test year for the permanent rate increase proceeding. However, the appropriateness of the selected test year may be an issue in the proceeding. In addition, the Company is proposing a base rate step adjustment based on the in-service date of its new Cape Canaveral plant.

It is my understanding that the Company intends to make its filing no earlier than March 16, 2012, in order to be in compliance with Rule 25-6.140, Florida Administrative Code (F.A.C.). If the Company is unable to file by March 30, 2012, it must notify the Commission in accordance with the provisions of Rule 25-6.140(3), F.A.C.
