Docket No. 110264-WS

LABRADOR UTILITIES, INC.'S
MOTION FOR TEMPORARY PROTECTIVE ORDER

LABRADOR UTILITIES, INC. ("Utility" or "Labrador") by and through its undersigned counsel, files this Motion for Temporary Protective Order with regard to documents submitted in connection with OPC'S First Set of Interrogatories (Nos. 1 – 23), and First Request for Production of Documents (Nos. 1 – 4).

1. Pursuant to Section 367.156(2), Florida Statutes, this Commission has the authority to classify certain material as proprietary confidential business information. This classification exempts the material from public disclosure under Section 119.07(1), Florida Statutes.

2. The Utility requests that all of the salary information provided in response to Interrogatories 4 and 12, and Document Production 1 be classified as proprietary confidential business information under Section 367.156(2), Florida Statutes, and Rule 25-22.06, Florida Administrative Code. The disclosure of salary information has been determined to be proprietary Confidential business information. Florida Power & Light Company v. Public Service Commission, 31 So 3d 860 (Fla. 1st DCA 2010).

3. Rule 25-22.006(6)(c), F.A.C., specifically permits a utility to agree to allow OPC to inspect or take possession of information for the limited purpose of determining whether that information will be used in a proceeding, and to seek a temporary protective order to ensure the confidentiality of such material during that process.

4. Pursuant to Rule 25-22.006(6)(c), F.A.C. Labrador agrees to make the requested documents available to OPC for inspection in redacted and unredacted format, and seeks a temporary protective order to endure the confidentiality of such material related to that inspection. Labrador will likewise make such documents available to Commission Staff for review upon issuance of the temporary protective order.

5. Rule 25-22.006(6)(c), F.A.C. prohibits OPC's retention of confidential information if OPC determines such information will not be used in a proceeding before the Commission. Labrador requests that the Commission require OPC to promptly notify Labrador if, after inspection, it intends to use Labrador's confidential information at hearing so that Labrador has fair opportunity to move for a full protective order under Rule 25-22.006(6)(a), F.A.C. *See Fla. Admin. Code R. 25-22.006(6)(c)*, ("If the information is to be used in a proceeding before the Commission, then the utility must file a specific request for a protective order under [Rule 25-22.006(6)](a) above.").

WHEREFORE, LABRADOR UTILITIES, INC. prays for the entry of a temporary protective order protecting against public disclosure of confidential salary information.
