Toni,
I wondered why you had not responded to this email; it appears I mistakenly sent it to myself instead of to you.

Nonetheless, even though now some more time has passed, please allow our cancellation of our CLEC status and the obligation to again pay \$600.

Thanks.

Toni,
Another year has come and gone, and we have paid our CLEC fees for the 2011 year.

May we please cancel our CLEC status now and avoid fees for the year 2012? We do not provide voice services or otherwise make use of our CLEC status any longer.

Thank you. Let me know if I should write an official letter.

Hope all is well in Tallahassee and 2012 is off to a good start!

Mr. Calloway,

The Florida PSC received your request to cancel VBNet, Incorporated's CLEC Certificate on March 22, 2011. In order to cancel this CLEC certificate in good standing, VBNet is also required to pay the 2011 minimum RAF of \$600.

The Commission allows a retroactive December 31, 2010 effective cancellation when it is received on or before the 2010 RAF payment deadline. This year, that deadline for payment was 1/31/2011 and it has passed. Any cancellation requests received after the 2010 RAF payment deadline can not be retroactively cancelled with a 2010 effective date.

I can email you the 2011 RAF form in a separate email if you want to proceed with a 2011 cancellation in good standing.

If you have any questions, please contact me.
