RE: Confidential Document No. 02875-12, Docket 120058-EQ

Florida Public Utilities Company (FPUC) has requested that certain information contained in its Negotiated Contract with Rayonier Performance Fibers, LLC (Rayonier), relating to competitively negotiated contractual data of the Negotiated Contract be kept confidential.

FPUC requests confidentiality under Subsection 366.093(3), Florida Statutes (F.S.), which states:

(3) Proprietary confidential business information means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public. Proprietary confidential business information includes, but is not limited to:

- (a) Trade secrets.
- (b) Internal auditing controls and reports of internal auditors.
- (c) Security measures, systems, or procedures.
- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.
- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.
- (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.

Staff has reviewed FPUC's confidentiality request. In staff's opinion, the request does meet the criteria for confidentiality contained in Subsection 366.093(3)(d), F.S. and Subsection 366.093(3)(e), F.S. Therefore, staff recommends that the request for confidentiality of certain information included in Document No. 02875-12 be approved.

In this request for confidentiality filed on May 4, 2012, FPUC listed its Net Present Value Savings as confidential, a portion of its response to Staff's Data Request. In the revised response and request for confidential classification filed on May 25, 2012, FPUC provided additional information in Document No. 03358-12, but no longer requires confidential treatment for its Net Present Value Savings in Attachment B as filed on May 4, 2012. Therefore staff is approving FPUC's initial request for confidentiality and its revised request for confidential exclusive of the Net Present Value Savings in Attachment B.
