Re: Undocketed

Dear Ms. Cole:

On June 20, 2012, we filed a Request for Confidential Classification and Motion for Temporary Protective Order asking for confidential treatment of a one page document entitled "TECO 2017 RFP Bid List Summary." That filing inadvertently referenced Docket No. 110262-EI when it should have been filed as an undocketed request for confidential classification. Margurite McLean indicated that this letter request can serve as the basis for reassigning that confidentiality request as an undocketed matter unrelated to Docket No. 110262-EI.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in this matter and we apologize for any inconvenience this may have caused.

Sincerely,

James D. Beasley
