We will make that revision per this request. They didn't indicate on the document when it was filed. We will be on the lookout for future similar filings! Thanks again for your help!

Hi Jim,

In looking at Docket 120150-TL I believe there is another document that should be moved to the undocketed matters. DN 04265-12:

Frontier (Fasciano) - Copy of letter dated 6/26/12 to RAD/Salak regarding FCC's 11/18/11 USF/ICC Transformation Order, FCC 11-161 (WC No. 10-90), specifically, 47 C.F.R. Section 51.915(d)(3); with attachments.

Please advise if that should be moved. Thank you!
