cost recovery true-up schedules (Revised Composite Exhibit CDY-1) for the period, which consist of the reporting forms supplied by Commission Staff.

4. As indicated in Mr. Young's testimony, the Company under-recovered \$236,897.00 for the period January through December 2011, as compared to its previously reported underrecovery of \$46,902.00, which was based on seven months actual and five months estimated data. This difference between the actual/estimated amount and the actual/end of period amount results in a final end of period true-up amount of \$189,995.

WHEREFORE, the Company respectfully requests that the Commission enter an Order approving the Company's **revised** final true-up amount for its electric division for the period January 1, 2011 through December 31, 2011.

RESPECTFULLY SUBMITTED this 13<sup>th</sup> day of July, 2012.
