AFFIDAVIT OF MARIA V. BESADA

BEFORE ME, the undersigned authority, personally appeared Maria V. Besada who, being first duly sworn, deposes and says:

1. My name is Maria V. Besada. I am currently employed by FPL Energy Services, Inc. ("FPLES") as Director, Organization Development & Management. My business address is 9250 West Flagler Street, Miami Florida, 33174. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Revised Exhibit C, and the documents which are included in Exhibit A to Florida Power & Light Company ("FPL") Request for Confidential Classification for which I am identified as the affiant. The documents or materials that I have reviewed and which, in whole or in part, are asserted by FPLES to be proprietary confidential business information, contain or constitute vendor data, such as pricing and other terms, the disclosure of which would impair the efforts of FPLES to contract for goods or services on favorable terms in the future. The documents contain or constitute competitively sensitive data, the disclosure of which could impair the competitive business of the provider of the information. Specifically, the information includes invoices paid by FPLES. To the best of my knowledge, FPLES has maintained the confidentiality of these documents and materials.

3. Consistent with the provisions of the Florida Administrative Code, such materials should remain confidential for a period of not less than 18 months. In addition, they should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
