Re: Docket No. 120009-EI

Dear Ms. Cole:

Please find enclosed for filing a Motion for Leave to File Supplemental Testimony and Exhibits, along with the original and 15 copies of the supplemental testimony and exhibits of FPL witness Terry O. Jones (public version). The confidential version of the testimony and exhibits is being transmitted under separate cover.

Several Extended Power Uprate project assumptions have changed and events have occurred since the preparation of FPL's April 27, 2012, testimony and the rebuttal testimony that followed. The purpose of this filing is to provide the Florida Public Service Commission, Commission Staff, and all parties with notice of these changes.

If you have any questions or require further information, please feel free to contact me.

Sincerely,

Jessica A. Cano

FPSC-COMMISSION CLERK

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In Re: Nuclear Power Plant)
Cost Recovery Clause)

Docket No. 120009-EI
Filed: August 1, 2012

**FLORIDA POWER & LIGHT COMPANY'S MOTION
FOR LEAVE TO FILE SUPPLEMENTAL TESTIMONY AND EXHIBITS**

Pursuant to Rule 28-106.204, Florida Administrative Code ("F.A.C."), Florida Power & Light Company ("FPL") is hereby requesting leave to file supplemental testimony and exhibits of Terry Jones in this docket. In support of this Motion, FPL states as follows:

1. Mr. Jones filed testimony on March 1, 2012, related to the Extended Power Uprate ("EPU") project activities and costs in 2011, and on April 27, 2012, related to anticipated EPU project activities and costs in 2012 and 2013. He also filed rebuttal testimony on July 9, 2012.

2. The purpose of Mr. Jones's supplemental testimony is to provide the Florida Public Service Commission ("Commission"), Commission Staff, and all parties to this docket with an update on three matters occurring after the filing of rebuttal testimony: (i) FPL has negotiated an agreement with Siemens related to FPL's costs for the St. Lucie Unit 2 stator core repair work incurred in 2011; (ii) FPL has completed and placed into service St. Lucie Unit 1 in uprate condition; and (iii) FPL has completed several internal audits previously noted as being in process. Attached hereto is a public version of Mr. Jones's supplemental testimony and exhibits. A confidential version is being filed contemporaneously with a Notice of Intent to Request Confidential Classification.

3. In accordance with Rule 28-106.204(3), Florida Administrative Code, FPL contacted counsel for each party in this docket to determine whether they object to this Motion. The Office of Public Counsel takes no position on the motion at this time, reserving its right to

object at a later time. The Southern Alliance for Clean Energy does not object to the motion. Progress Energy Florida, PCS Phosphate – White Springs, and the Federal Executive Agencies take no position on the motion. FPL was unable to reach the Florida Industrial Power Users Group or Florida Retail Federation to ascertain their positions on this motion prior to filing.

WHEREFORE, FPL's Motion for Leave to File Supplemental Testimony should be approved, and the supplemental testimony and exhibits of Mr. Jones attached hereto should be entered into the record.

Respectfully submitted this 1st day of August, 2012.
