DOCKET NO. 120015-EI  
ORDER NO. PSC-12-0431-CFO-EI  
ISSUED: August 20, 2012

ORDER GRANTING REQUEST FOR CONFIDENTIAL CLASSIFICATION  
OF CERTAIN DISCOVERY RESPONSES  
(DOCUMENT NO. 05633-12)

On August 16, 2012, pursuant to Section 366.093, Florida Statutes (F.S.), Florida Power & Light Company (FPL) filed a request for confidential classification with respect to the highlighted information contained in Document No. 05633-12. This document contains: FPL's Responses to OPC's 1<sup>st</sup> Request for Documents (Nos. 5 and 6) and 8<sup>th</sup> Set of Interrogatories (No. 156); Staff's 6<sup>th</sup> Request for Documents No. 50 Part 1, Attachments, 2a, 3, 4, 6a, 11, 14, 15, 16, 19, 20, 23, 25 (pages 77-85), 27, 29, 31, and 33); Staff's 1<sup>st</sup> Request for Documents (No. 11); and Staff's 1<sup>st</sup> Request for Documents (No. 2): 2011-Analyst Research Reports (pages 1, 4, 5, 9, 29, 48, 69, 82, 84, 91, 121, 122, 132, 133, 166, 167, 198, 207, 217, 247, 256, 257, 295, 301, 307, 335, 345, 399, 424, 477, 633, 643-646, 669-671, 696, 739-741, and 891); and 2012-Analyst Research Reports (pages 4, 10, 39, 44, 47, 55, and 72). FPL states that the highlighted information contained in these discovery responses should be classified as proprietary, confidential business information pursuant to Section 366.093(3)(d)and (e), F.S.

Request for Confidential Classification

Section 366.093(1), F.S., provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from Section 119.07(1) [the Public Records Act]." Pursuant to Section 366.093(3), F.S., proprietary confidential business information includes information that 1) is intended to be and is treated by the company as private, 2) disclosure of the information would cause harm to the company's ratepayers or business operations, and 3) the information has not been voluntarily disclosed to the public. Confidential business information includes, but is not limited to "[i]formation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;" and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information;" *Id.* at (d) and (e).

FPL contends that portions of the discovery responses identified above contain information related to bids and other contractual data which would harm FPL's ability to enter into contracts on favorable commercial terms if revealed. FPL also contends that some of the information relates to FPL's competitive interests and those of the provider of the information, which are entitled to protection from public disclosure.

Ruling

Upon review, I find that the information identified in Document No. 05633-12, as more specifically described in Exhibit C to the Company's Request, is treated by the Company as private, has not otherwise been disclosed, and concerns matters described in Section 366.093(3) (d) and (e), F.S. as confidential business information. As such, the information is protected from public disclosure, and thus shall be granted confidential classification pursuant to Section 366.093(1), F.S.

Based on the foregoing, it is

ORDERED by Commissioner Art Graham, as Prehearing Officer, that Florida Power & Light Company's Request for Confidential Classification of portions of Document No. 05633-12, as detailed in Exhibit C to its Request, is granted. It is further

ORDERED that the information in Document No. 05633-12, for which confidential classification has been granted, shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless Florida Power & Light Company or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information. It is further

ORDERED that this Order will be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Commissioner Art Graham, as Prehearing Officer, this 20th day of August, 2012.
