No, I do not think so. I called up utility reports in Case Management to see what recommendations I was going to be filing for the 9/18/12 Agenda. When it listed D. No. 120057-EI, in the title, it still showed Jonathan W. Mauk as the complainant.

The only place I could find the "W." in was the "Utilities." I changed that to "V." Was that where your concern was?

when this docket was initially opened, I used a document which showed Mr. Mauk's middle initial as "W." He has since advised me that it should be "V." I thought we had changed it, but it came up as still "W." -- what do we need to do to change??
